

# POWER INNOVATION AND GROWTH WITH ADVANCED BUSINESS TECHNOLOGY

# MELILLO CONSULTING

## Envision Your IT

## SOLUTIONS

As technology continues to grow and evolve at a steady rate in response to a rapidly changing world, businesses need to make the right decisions about where to take their IT strategy. Focusing on one-and-done digital transformation is no longer enough. Today, it's about continuously incorporating new technologies and developments into business processes so your business can adapt as the market grows increasingly complex.

At Melillo, we make it our business to navigate the evolution of technology to help envision a future that incorporates emerging trends and practices to support business growth. We know what works, what doesn't, and how to help businesses innovate at speed, keep up with IT and industry change, and maintain resilience in a rapidly evolving environment.

Backed by a powerful network of strategic vendor partnerships and a team of IT pros with advanced certifications, we'll help you plan, design, and deliver flexible solutions that keep your business at the cutting-edge of new technology to meet new demands and keep up with the continuous shifts of today's business markets.

### Solutions Offerings

- **Infrastructure:** Exceed expectations of internal and external customers with advanced support that spans planning, optimization, data protection, and storage.
- **Development:** Combine industry-leading technology, cloud platforms, automation, testing, and management services to transform your DevOps practices to accelerate your application delivery.
- **Security:** Build a more robust security posture, improve cross collaboration, adhere to governance standards, and comply with evolving regulations.
- **Data Management:** Consolidate, store, manage, and migrate your structured and unstructured data to support business transformation.
- **Cloud:** Adopt cloud strategies that map to your changing business environment for a cloud experience that accelerates app and service delivery and supports the workloads developed by your employees, partners, suppliers, and customers.

When you work with Melillo, you get an experienced partner who knows that one size does not fit all, which is why we customize our solutions to fit you, your unique needs, and your critical challenges. Let us help you envision and achieve a future that powers scalable growth and sustainable success.

### At A Glance

Since 1988, Melillo has been helping organizations create and execute digital IT business acceleration strategies that lower costs, boost ROI, minimize risk, and ensure compliance.
